First Day of School!

When children begin school I believe that in some way they are moving away from the world of parent and family and into the world of Children. The children are either beginning to or are consolidating their journey on a pathway towards growing up. For us as adults we too are learning –and deepening our knowledge and wisdom of children. What a fantastic and exciting journey to be on! I invite you, the parents and friends of Holy Name, to make new friends, learn new ways and to feel the wonderful experiences that life has to offer. And if you are not sure how to do this, then just follow alongside your son and/or daughter- journey with them, follow their light –for they will show us the pathway to making new friends, happiness and life! Welcome children of God to Holy Name Primary School!
