Visit to School Assembly by Josh Arnold

Josh Arnold is a commercial and infectious musician. Recently, Josh visited our school and met the students at a school assembly. His eclectic Pop and Acoustic style has caught the imagination of all our students as he punched out a song dedicated to the flood victims of Queensland. Last year our year 6 and 7 students engaged with Josh to record a song. At the assembly Josh gave a CD to the Year 7 students as a sign of appreciation for the work the students did in recording the CD. I encourage you to look at his website at http://www.josharnoldmusic.com/about.html where a lot more information about workshops and recorded music is found. Thank you Josh, you are always welcome at Holy Name!
