Caritas at Holy Name

Caritas International is a confederation of 164 Roman Catholic relief, development and social service organisations operating in over 200 countries and territories worldwide. Collectively and individually Caritas’ mission is to work to build a better world, especially for the poor and oppressed. The first Caritas organisation was started in Freiburg, Germany, in 1897. This year our school is to be commended for their energy and creative ways in which the message of Caritas was acted upon. Recently the Year Two students had a cake stall to raise funds for Project Compassion.
