Holy Name Students Learn Dancing Lessons – Dancing with Soul!

There are also a number of historical dances, and local or national dances, which may be danced in ballrooms, salons or school halls. At Holy Name Primary School the students are learning sequence dancing, in pairs or other formations, similar to the popular style of ballroom dancing. Plato said, “Music gives a soul to the universe, wings to the mind, flight to the imagination and life to everything.” Dance compliments this quote by allowing one to visualize life, flight, and soul.
