At 2pm on Holy Thursday afternoon the entire Holy Name school community took time to remember Jesus’ journey in the last week of His life.

Jesus’ journey was a mixture of emotions - of jubilation, of anxiety and suffering, of humiliation and abandonment, of dying on a cross. Jesus did it so that we may be saved.

Our journey with Jesus saw us remembering His triumphal ride into Jerusalem, the Last Supper, His agony in the Garden of Gethsemane and arrest. We reflected on Jesus’ condemnation before Pilate and how Jesus bravely carried His cross to His death. We imagined how Mary and Jesus’ friends felt as Jesus’ body was taken down and then placed in the tomb.

We realised then that the story would not end miserably but out of all this suffering and sadness our hope would be restored when Jesus would arise on Easter morning!
