Our year 4 students have been lucky enough to participate in the PCYC Bike Safety program at Groom Park. The students are all learning about how to be a safe and responsible rider on the road, learning about road rules, bicycle awareness and signalling. It’s been so much fun riding in ‘real’ conditions, the course simulates a real road experience complete with a train crossing, Give Way and Stop signs to name just a few. It’s been a great experience for all the students, and they’re having a great time being outside and active as well!
